

Maori Land Owners Spectrum

Where are you on the Maori Land Owners Spectrum...?

	Unmanaged	Managed	Transition	Business Enterprise	Exit
<p><i>Customary Maori land</i></p>  					
<p>Owners Primary seat of power. Determines structure and form</p>	<ul style="list-style-type: none"> - Commit to or decline a development plan - Elect management structure and appointees 	<ul style="list-style-type: none"> - Management works through development plan 	<ul style="list-style-type: none"> - Governance roles separate from management 	<ul style="list-style-type: none"> - Owners choose structure, constitution, company philosophy, etc. 	<ul style="list-style-type: none"> - Business enterprise operates independently
<p>Management Runs business, Becomes more & more independent of the Court along the spectrum</p>	<ul style="list-style-type: none"> - Interim presents development plan - Permanent elected by owners 	<ul style="list-style-type: none"> Mainly involved in passive business 	<ul style="list-style-type: none"> More active- - Constraints of trusteeship removed – Options for separate business investigated 	<ul style="list-style-type: none"> - Separate structure formed to run business independently of ownership 	<ul style="list-style-type: none"> - Predetermined performance threshold qualifies exit of court system
<p>Maori Land Court Role diminishes as each phase is passed through</p>	<ul style="list-style-type: none"> - Proactive and responsive - Supports landowners in organising self-governance 		<ul style="list-style-type: none"> - Involvement is minimal - Repository of Maori land title information - Complaints investigation
