

Forestry in the Emissions Trading Scheme – Regional Hui

The Ministry of Agriculture and Forestry in combination with the Climate Change Māori Reference Group will be conducting a series of hui around New Zealand in late January–early February 2009.

The purpose of the hui is to:

- present information, obligations and opportunities for Māori on Forestry in the Emissions Trading Scheme (ETS);
- consult with Māori on the *Draft Forestry Allocation Plan* under the ETS.

These hui will be of importance to iwi leaders, Māori forest land owners, trustees, accountants, lawyers and other professional advisors to Māori land owners involved in forestry.

You are urged to attend and to tell others who you think should attend.

Key dates and locations of hui

Date	North Island
Friday 23 January 2008	Wanganui
